

Crystal Cove State Park Natural Resources Management Plan

COME JOIN US—

DECEMBER 14TH

California State Parks (CSP) invites you to the initial public meeting for the Crystal Cove State Park Natural Resources Management Plan.

The primary purpose of the meeting is to introduce the management plan process & provide an opportunity for you to voice your ideas about the future management of the natural resources of this special Park. In addition, CSP will provide a summary of data gathered during recent resource inventory work.

CONTINUE TO BE INVOLVED

The Team encourages you to further participate in the management plan process by attending future public workshops, visiting the project webpage: crystalcoveNRMP.com

&

emailing any additional ideas/comments to the management plan team at
