Cottage Reservations: ReserveCalifornia.com and/or 800.444.7275

Daily, reservations can be made online at ReserveCalifornia.com or by calling 800.444.7275 — seven days a week from 8am until 6pm, PST. (Except Thanksgiving Day, Christmas Day and New Years’ Day)

Beginning August 1, 2017 the new reservation system has changed to a new, daily rolling window reservation service. With the daily rolling window everyday you have the opportunity to reserve a cottage six months in the future from the current day. Cottages inventory will become available each day six months in advance.

Bookings may extend from the arrival date to the desired departure date – based on availability with a maximum number of stays not to exceed seven days per year.

For example, on September 1, 2017 you are able to reserve a cottage beginning March 1, 2018 up to a maximum of seven days per year. Example: the reservation could extend from March 1, 2018 through March 7, 2018.

If you make a reservation on: November 1, 2017 - you can make a reservation with an arrival date of March 1, 2018.

... And so forth throughout the month.

Alternate booking option: Scroll through the existing months of reservations, search and book date(s) displaying availability due to cancellations.

Cancellations/modifications are processed at: ReserveCalifornia.com and/or 800.444.7275
