

CRYSTAL COVE STATE PARK

Self-Guided Visit Fee Waiver Application

Space permitting and upon approval we are pleased to provide a day-use fee waiver for your class. In order to protect the park resources and minimize impact we allow one fee waiver per location per day. The locations are: Moro Beach/Moro Canyon, Reef Point, Historic District, Pelican Point South (Lot #4,) Pelican Point North (Treasure Cove.) Once these locations are booked additional schools that choose to visit will be required to pay the day-use fee.

***Please Note:** We are happy to continue to support educational field trips for college students at Crystal Cove State Park. Due to increased park visitation and an increased demand for day-use fee waivers, starting in fall 2020 day-use fee waivers can be requested up to a maximum of 15 vehicles.

To request a day-use fee waiver, submit this form 14 days in advance to:

Winter.Bonnin@parks.ca.gov

School _____

Professor/Teacher _____

Preferred Dates _____

Preferred Location _____

Time _____ Number of People _____

*Bus _____ or Private Vehicles (How Many) _____

What are the goals of your field trip _____

Please Note: If you are proposing a project that includes quadrats, transects or any other proposed research in the park you must contact Senior Environmental Scientist Riley Pratt at Riley.Pratt@parks.ca.gov
